Baseball concessions are not making money. Considering only having it open if they have double headers or 3 game tournaments. Had to throw away large amounts of meat since no one is buying. Feel we should only sell meat at the larger events.

Middle School Reports

Rapid Run –

Rapid Run is currently gearing up for the 2016-17 school year.

Mr. Sowders visited each middle school the week of 5/2 and passed out paperwork and sign-up sheets for middle school football. Each meeting was very well attended and a contact list was put together to continue to communicate over the summer to keep these students interested in middle school football.

We will have our annual 6th grade activity fair tomorrow (5/17) in the commons from 1:15 to 2:15 pm. The entire sixth grade is invited to visit stations and complete a scavenger hunt about the activities and athletics that are available at Rapid Run Middle School and the combined OHMS teams. 7th and 8th grade athletes will be at the stations to pass out paperwork (schedules, sign-up sheets for fall sports, camp information for all varsity camps, etc.) and answer any questions. The other half of the time the 6th grade students will be in the auditorium where Mr. Sowders and an 8th grade panel of students will discuss the importance of getting involved in the middle school.

On Wednesday, 5/18, 7th grade students will have a fall sports sign up. Paperwork for all fall sports will be available including a starting dates and contact sheet for all of the fall sports at RRMS.

On Friday, 5/20, our last day of school we will be celebrating the successes of the 8th grade student athletes at the 8th grade day. Mr. Sowders will be announcing the winners of the iron athlete awards, the Archie Griffin Sportsmanship awards, and the male and female athletes of the year.
